

Seaside Youth Football Position Description-Asst. Coach

Primary Function

The primary goal of the Assistant Coach is to provide a positive learning environment so the players return to play football the following year through their freshman year in high school.

Scope of Responsibility

- Coaches are expected to adhere to the rules and regulations of Seaside Kids
- MUST be able to work with young children and keep things “fun”
- MUST teach players proper and safe football techniques
- MUST understand Seaside Kids attendance and playing time policies and follow them consistently with all players
- Attend all meetings and functions as assigned by the Head Varsity Coach or Head Coach as well as practices and games
- Use sound and acceptable coaching practices
- Run well organized practice sessions (i.e., use of written practice plan)
- Set an example of positive attitude and teamwork
- Assist the Head Coach in any non-coaching matters as needed
- Prepared to meet coaching responsibilities for skill instruction and supervisory duties
- Resolve any differences of opinion with other coaches/parents away from earshot of players
- Ability to communicate with other coaches/referees/parents in a non-confrontational manner
- Ensure player equipment is properly fitted and well maintained
- Plan and execute player rotation during games, appropriate for the grade level being coached

Education/Knowledge/Skills

- Must have extensive knowledge of football
- Must enjoy working with children of all ages and abilities
- Must be able to communicate with players and parents in a positive manner

Performance Measures

- To execute the vision of the Seaside Kids program as outlined by the board of directors
- To instruct athletes in individual and team fundamentals, strategy, and physical training necessary for them to realize a degree of individual and team success.

Priority is to have fun and teach safe and fundamental football techniques
